Impact San Antonio will host its Last Call membership recruitment event from 6 p.m. to 8:30 p.m. Wednesday, May 17 at The Veranda, 1746 Lockhill Selma Road.

The featured speaker is Paula Gold-Williams, president/CEO of CPS Energy. Admission is $25 for members and $15 for guests.

"Our Last Call membership event is a perfect opportunity to get to know the women of Impact SA and become part of a group of other professional women, who are having an impact on the community through collective giving," President Beverley McClure said.

Impact San Antonio is a women's philanthropic organization impacting the community through collective generosity serving Bexar and contiguous counties.

Members, either individually or in groups up to four women, contribute $1,000 annually with 100 percent of donations pooled to create multiple $100,000 grants awarded to nonprofits in one of five focus areas: Arts & Culture, Education, Environment/Recreation/Preservation, Family, and Health & Wellness.
