Impact San Antonio is an all-woman, all volunteer organization, led by a Board of Directors that recruits as many women as possible who each donate \$1,000 a year. They pool that money to make one annual \$100,000 grant to a worthy San Antonio area non-profit organization after a thorough grant review and voting process. Beginning in the summer, grants are accepted and then reviewed in five categories: culture, education, environment, family, and health/wellness. Founded in 2004, Impact San Antonio has now donated more than \$546,000 to area non-profits since 2005.
