

January Update

**Our Membership drive is on –
Our heart will not be complete without you!**

YOU ARE A WOMAN WHO MAKES A DIFFERENCE

You can create bright spots of hope in our community through your membership! Let's join together again in 2021 to "put our money where our hearts are". Your membership is especially powerful because 100% is combined with co-members' gifts for High Impact Grants to fund substantial projects by local nonprofit agencies. Our goal is to award \$100,000 in each of our five essential focus areas.

The women of Impact SA are starting this new year as strongly committed as ever to bringing more bright spots of hope to our community through our grants. As we begin our membership drive for 2021, I want to take the opportunity to highlight some of the challenges that motivate us as philanthropists.

Hosted parties are now online!

There are plenty of advantages to holding an online party: you don't have to clean your house, guests provide their own refreshments, and best of all, no one will know you're wearing yoga pants under that nice top.

special place in our hearts. Two of those members are Allison De Paoli and Jo Anne Johnson. We visited with them recently to find out what inspired them to join and keeping coming back year after year.
