Save the date for Grant Award Night

Evening of Monday, October 24

The Mays Family Center at Witte Museum

Mark your calendars now - you won't want to miss the most exciting event of our year!

Volunteering for Impact San Antonio is fun, and it doesn't have to take a lot of your time. Volunteers are the lifeblood of our organization, and there are a number of roles you can fill. In addition to our Celebration event volunteer spots, we have two other opportunities available now. We are so grateful to the women who have done these roles in the past!

For more information, contact Mary Massey at volunteercoordinator@impactsanantonio.org.

Membership: Deliver gift bags to new Impact San Antonio members before their New Member Orientation Zoom meeting. Delivery should be done between July 31 and Aug. 2. We'll give you addresses and phone numbers. The assembled gift bags will be delivered to you ready to distribute. This can be done solo, or you can team up with another Impact SA member for extra fun! Deadline to respond to this invitation is Monday, July 25.

Become one of our 2022 grant liaisons: We're seeking Impact San Antonio members to be grant liaisons for our 2022 High Impact Grant and Support Grant recipients! It's an amazing job where you work closely with one recipient agency as they move through the grant process and see their project to fruition.

Agency update: Esperanza Peace & Justice Center

San Antonio's West Side has a rich cultural tradition, but it hasn't always been understood by its residents and people in other areas of the city. Esperanza Peace & Justice Center aims to change that through the construction of the Museo del Westside, which will include exhibits and presentations about the area's history.

The Museo – part of a larger project, the Rinconcito de Esperanza, with a total of 11 buildings – will take over the old Ruben's Ice House and add an adobe building in the back for a total of 2,300 square feet. The renovation of Ruben's is being partially funded by a 2020 High Impact Grant from Impact San Antonio.

President's message: We're on the climb

An experience on my recent trip to Colorado reminded me that Impact San Antonio members accomplish so much each year. On the trip, I attended my first event at Red Rocks Amphitheatre. I was excited to experience music I love in such a majestic setting. We arrived early and were able to find good parking. We headed toward the venue, which had a steep climb, which led to a very large set of stairs, which led to another large set of stairs, followed by yet another large set of stairs just to get into the gates.
