Since 1992, Project MEND has been supplying home medical equipment and assistive technology to people in the San Antonio area who otherwise could not afford it. And they not only supply that equipment, they also repair it as needed.

The \$10,000 support grant they received from Impact SA in 2020 has helped keep that program running by funding tools, supplies, and gas and maintenance for their vans. It's the second grant Project MEND has received from Impact SA. In 2017, they received a \$100,000 High Impact Grant to buy two vans and a HubScrub medical equipment cleaning machine.
